## Be Touched and Healed by God's Scalar Energy Healing

Tom Paladino is a scalar energy researcher and has 25 plus years' experience helping people with pathogenic infection.

Tom Paladino's research and work with the scalar energy began during his undergraduate years. He was inspired by various scientists, i.e., Hieronymus, Moray, Priore and especially Nikola Tesla, as to the existence of an energy that is not of the electromagnetic spectrum. With this inspiration, he pursued a course of independent study in order to better understand and subsequently harness scalar energy.

Scalar energy is also known as prana, chi, radiant energy, zero point energy, qi, orgone, eloptic. After years of experimentation and modification, Tom Paladino has developed a technique using scalar energy that will transmute pathogens quickly and painlessly. This technique facilitates the use of photographs of people who desire to have pathogens transmuted in their bodies.

Tom Paladino developed a treatment process whereby he is able to administer the scalar energy reverse-phase angle harmonic of a pathogen, thereby causing that agent of infection to disassemble or fall apart. His Pathogen Cleanse currently disassembles over 400,000 pathogens for humans and animals. The Nutrient Therapy delivers 321 essential nutrients to the cells of humans and animals. The Chakra Balance harmonizes the body for humans and animals.

Scalar energy operates at the quantum level and is capable of disassembling pathogens such as virus, bacteria, parasite, protozoan, amoeba, prion, thus eliminating the causative agent of disease. Once the causative agent of a pathogen disease has been eliminated the symptoms associated with that infection decrease or disappear altogether.

**The 30 Day Remote Scalar Session includes all three protocols delivered daily, Monday-Sunday, over a 30 day period.**

### RECENT DISCOVERIES:

**March 2012** - Recent discoveries led Tom Paladino to the conclusion that viruses can likewise be transmuted by this process of broadcasting scalar energy. Emboldened by these discoveries, he desires to present the world with the cure for ALL bacterial, fungal, protozoan and viral infections. It is his belief and statement that the scalar energy is capable of transmuting ALL pathogens thus presenting the world with the CURE for thousands of pathogenic diseases.

**May 6, 2013** - Tom Paladino had a breakthrough with the herpes virus.

**August 2013** - Tom increased the power of his Scalar Instrument for the third time in 2 years.

**December 2013** - Pathogens added: worms, parasites to the pathogen cleanse. People and pets are now expelling worms, lice, parasites. May the world one day soon recognize this great gift from God.

**August 2016** - Scalar Energy is now disassembling 400,000 pathogens and assembling 321 essential nutrients.

## Books and Publications

### PUBLISHED PAPERS:

Earlier subtle energy scientists such as Nikola Tesla, Antoine Priore, Thomas Moray, and T. Galen Hieronymus have published papers and received patents for their innovations. Tom began where they left off and now works in the arena of better health.

Though Tom has not published papers to a scientific authority, foundation, or academic group regarding his research, he has recently authored some booklets about Scalar Energy, its uses, and how it works to eradicate disease.

These free eBooks can be downloaded and read at: <https://www.selfhealgo.com/scalar-energy-world>

In the future, Tom hopes to publish some scholarly articles on the subject, but he's currently focused on working with people in the area of disassembling pathogens, which he's been doing for the past 25 years.

After years and years of study and experimentation, Tom eventually discovered how to deliver nutrients to cells via remote scalar waves. He knew then that his machine could help the human body recover from pathogenic damage.

Soon after, Tom introduced the chakra balance into the treatment sessions, because the chakra of the body are natural receptacles of scalar light, and when functioning properly, are able to distribute scalar energy throughout our entire human system.

Information about Tom's mentor, Sara Hieronymus, wife to subtle energy scientist, T. Galen Hieronymus can be found in the book, Secrets of the Soil by Tompkins and Bird available at Amazon.

## Client Testimonials

### Scalar Energy vs. Psoriasis:

I did not have psoriasis in my childhood. It came after a major trauma when I was 38 (a jury trial).

I began treatments with you, Tom, at the beginning of July 2013. I don't even remember how I came across your name on the net. We had booked a holiday trip to Ireland at the end of July but I could barely walk on my sore, swollen feet. It looked like that we had to cancel the trip.

But after only 1 week of treatment, I was much better. And I could see the improvements from week to week. My mood improved, too. There was light at the end of the tunnel. And we had a wonderful round trip to Ireland.

Now I've had 4 months of your treatments, and the psoriasis that is left is a little patch on the left elbow. See Picture. I have a new life now.

Every year the psoriasis blossomed at autumn and winter. Now it is November, and there is no sign of it on hands and legs.

So I have decided to continue your treatments as body maintenance.

You treated my Family in October; my sister has had a recurrent infection in the nose. She can "smell" it when it comes. Antibiotics does not Cure it. Fortunately, this occurred in October, and she noticed that the infection/inflammation vanished. She was thrilled.

You can see on the photos that my skin has scars from psoriasis and also too much cortisone ointments. It is redder than normal skin, but no psoriasis.

HALLELUJAH!!

Blessings (and a hug, too) from Norway

## Itchy, Painful Foot Fungus – Gone in 3 Weeks:

Dear Tom,

I have the photos of my foot fungus. I wanted you to see the improvement and almost completely gone pictures from just 3 weeks of Scalar.

Thank you so much as I have been suffering daily for over 19 years with this itchy fungus that made holes between my toes. God Bless you to spread this good news of remote scalar healing all over the world!

Thank you, S.W.

P.S. This fungus is like athletes' foot but worse, called I think Haole rot; on my ankles, side of feet and all of sole; it's itchy and terrible, oozing clear liquids, nothing helped for 19 years.

## Feeling Normal Again:

Hello Tom,

The time difference works in my favour as I experience a change of energy in the afternoons. On certain days, I feel as if my pathogens are being specifically targeted and feel 'normal' again. I have felt a clearing in my lung area as though energy is no longer blocked in that area. There is also self-responsibility involved and looking at everything going on as a whole.

Very sensitive to others energy when outside and staying grounded and less fearful is something I need to work on. I plan to sign up for 3 more months to give me the support and energy to move forward.

I would be interested to know if scalar pendants have a place in coping with emf, wifi and others energy field when in crowds, cities etc. Intent helps.

Warm wishes Andrea

## **Herpes Going Away:**

Dear Tom,

It is now 2 weeks since you have started treating me. Thank you so much and I am so grateful for all you do to the world. Here's my report.

1. A long standing eye infection that has become quite itching, and red the week before the start of treatment is completely gone, not a trace to be found.
2. I fell on a sharp stone the morning before you started the treatments... got a big blue bruise and a deep cut - It healed tremendously fast.
3. Four days after starting scalar energy I got another herpes break, quite large with 6 different heads... yet it healed enormously fast... within 3 days, one week later it was completely healed... not even a scab left.

I have suffered from Herpes for 35 years, and the last 5 years the virus would be active 3 to 4 weeks out of every 2 months with 3 to 4 recurrences, keeping me with flu like symptoms, and run down energetically for weeks on end.

This time not only am I completely done with the break within 6 days, the long term upper respiratory cold with constant sneezing is now also gone. And my energy level is back... this is after 6 weeks of having no energy, and only 2 weeks on the scalar energy program.

Thank you so much

## **Good Energy & Better Color:**

Hi Tom,

Hope this email finds you well...

I have had good energy level through this whole 30 days. My color is better, so the nutrition treatments have been beneficial. I have been plagued with yeast for a long time and I know this is undoing this "tough to get rid of" stuff.

I am grateful to be moving straight into my second 30 days with you and look forward to more outstanding results.

Warmest Regards, S.

## **Family Results after the First 30 Days:**

Dear Tom,

My family and I have been receiving scalar energy treatments for one month. This is our progress which I am extremely happy with:

My daughter:

She has suffered with cold sores for many years, since treatment started a cold sore began one day and disappeared the next without any ointment. She could not believe it herself.

My son:

He also suffered with cold sores, but for the last month he has not had any. He also has a dry cough for part of the year which doctors call a type of asthma; he's not on medication only when it gets really bad. For the last month I have not heard him coughing at all and he has been playing a lot of sports out in the night air, which usually start the coughing.

Myself:

Thankfully I am not unhealthy, but I have seen some very significant changes.

- 1) A cluster of warts that I have had on my right hand have almost disappeared
- 2) My mouth feels 100 times fresher
- 3) I sleep better and awake more refreshed and also I need less sleep My husband

He feels the same benefits with regard to sleep and mouth freshness.

I have gladly paid for next month treatments and I know and believe that scalar energy is of a major health benefit to myself and all of my family. I would advise anybody who cares for their health to do this. Tom does all the work and you reap all the benefits.

P.S. I myself have a toe nail fungus that the doctor wants to put me on a long term antibiotic for it but I am willing to see if after 3months if the scalar energy has helped it. I will let everyone know of my progress.
